I. BASIS OF ASSESSMENT OF MEMBER STATES' CONTRIBUTIONS TO THE UNITED NATIONS OBSERVER GROUP IN CENTRAL AMERICA FOR THE PERIOD 7 NOVEMBER 1989 TO 6 MAY 1990

A. Period from 7 November 1989 to 6 May 1990

1. By Security Council resolution 644 (1989) of 7 November 1989, the Security Council decided to establish a United Nations Observer Group in Central America (ONUCA) for a period of six months. Under the terms of resolution 44/44 of 7 December 1989, the General Assembly decided "to appropriate an amount of $40,800,000, inclusive of the amount of $3,450,000 authorized with the concurrence of the Advisory Committee on Administrative and Budgetary Questions, under the terms of General Assembly resolution 42/227 of 21 December 1987, for the operation of the United Nations Observer Group in Central America from 7 November 1989 to 6 May 1990, inclusive". It further decided that there should be set off against the apportionment among Member States their respective share in the Tax Equalization Fund of the estimated staff assessment income of $600,000. These amounts have now been apportioned among Member States for the period from 7 November 1989 to 6 May 1990 and are shown in section IV below. The apportionment was executed in three parts so as to take into account the provisions of General Assembly resolution 44/192 B of 21 December 1989.

B. Apportionment of the costs of peace-keeping operations

2. On 11 December 1973, the General Assembly adopted resolution 3101 (XXVIII) on the financing of the United Nations Emergency Fund (UNEF II). Under the resolution, the membership of the United Nations was divided into four groups: A, the States permanent members of the Security Council; B, specifically named economically developed Member States that are not permanent members of the Security Council; C, economically less developed Member States; and D, economically less developed Member States that were specifically named. The resolution also specified the amounts of the total appropriation to be distributed among each of the four groups.

3. The four amounts specified in the resolution were established by a methodology intended to produce the following results: the Member States in group D would pay 10 per cent of the assessment rates established for the regular budget, those in group C would pay 20 per cent, those in group B would pay 100 per cent and those in group A would pay 100 per cent plus the amounts not otherwise apportioned.

4. Within each group, according to the terms of resolution 3101 (XXVIII), the amount appropriated was to be distributed among the respective group members on the basis of the relative weight of each group member's regular rate of assessment in relation to the total rate for the group.

5. The scheme for the apportionment of costs set out in resolution 3101 (XXVIII) has continued to be applied since that time for all peace-keeping operations financed through assessed contributions, including ONUCA. However, the composition of the four groups of Member States has changed repeatedly since 1973 as a result of the admission of 24 new Member States and the decisions contained in General Assembly resolutions 3374 (XXX) B of 28 November 1975 and 44/192 B of 21 December 1989. The percentage shares shown in section IV demonstrate the results of the application of the scheme.
